

# Citizen and Civic Journalism Interest Group Bibliography

**Note:** *This is a work in progress. We encourage you to post additional resources by contacting the current CCJIG Research Chair. This list was compiled from CCJIG members' suggestions as well as an online bibliography by David Shedden, Library Director, Poynter Institute. It begins with online resources compiled by Shedden, then lists print resources (including books, chapters, journal articles, and conference papers) in alphabetical order.*
