Name: _____ VCU Student # _____

# School of Mass Communications
# Change of Sequence Form

Students choose their sequence in Mass Communications when they enter the major. If you choose to change sequences, this may add one or more semesters to the time it takes you to complete the degree requirements. A student may not graduate with more than 40 hours of MASC credits of the total 120 hours required for graduation. If switching sequences takes you above the 40 MASC hours, you will need to take additional non-MASC courses to bring your total VCU credits above 120 hours. You *must* have the signature of your adviser before submitting this form to Temple 2216. No change will be made unless this entire form is completed. Completed forms should be placed in the Student Services Coordinator's box.
